Please go to www.lot-oriel.com to find out more about who LOT-Oriel represent, what instruments they can provide, and how they can be contacted.

What LOT-Oriel have to say about SeelogicMail

“Seelogic Mail has provided us with an excellent direct mail marketing tool since we started using it in 2009. Not only does it give us a HTML design package, it also provides us with excellent statistical information which helps us target our e-mail promotions. We also find the sales and support team at Seelogic very helpful and professional.” Angela Carslake, Marketing Manager.

A MENZIES AVIATION COMPANY

Air Menzies International – Crawley, UK

AMI works exclusively with freight forwarders and courier companies, offering highly competitive air freight rates and transport services around the world. Their product range covers export, import and cross-trade, based on cargo, express and time definite international road freight.

AMI give their clients the power to compete and unlike some other air freight co-loaders with guaranteed 100% neutrality. www.airmenzies.com

What Air Menzies have to say about SeelogicMail

“AMI began to use Seelogic Mail at the end of 2009 and it has transformed the way we interact with our customer base. Apart from a much more professional image, we also enjoy much better connectivity to our website and excellent statistical information which is a real help to our sales team.” Nigel Moolenaar, General Manager - Commercial
